Re: COVID-19 Pandemic

Dear Semiahmoo House Society Community,

I am addressing this letter to the whole Semiahmoo House Society community: people we support, the families of people we support, home share providers, and all our staff members. For the duration of the COVID-19 pandemic, we will be working together, with as few boundaries as possible to ensure that everyone is supported and safe.

April 22 Update

While many SHS staff members have not been able to support people directly in the same physical space for the past month, they have been working hard creating online opportunities and checking in with people remotely. In today's update, I wanted to pass on some information about two projects that will help people connect and learn during and after the COVID-19 pandemic.

SPARK! Community Connector Services was a new service in development when COVID-19 came into the picture. The purpose of SPARK! is to support people to create meaningful connections with their community. Community Connector Heather Spears has put together the first Get Connected, Stay Connected Community News newsletter, which is attached to the accompanying email for you to read. The newsletter includes lots of ideas about connecting while still staying physically apart.

The second project is the Online Campus. I've seen a preview of the Online Campus that UNITI and SHS are developing. It looks great and will also be an asset for our in-person class registration once things get back to "normal." The Online Campus will be rolled out to Community Services first, and then to the rest of the SHS community.

The Self Advocate Leadership Network (SALN) has published their 5th New Sheet, which is also attached to the email accompanying this letter. The focus of this News Sheet #5 is support for people with disabilities in hospitals, triage guidelines, and mental health during the COVID-19 pandemic.

One final update, Chorus Support Services will be distributing a level of support document to tenants and families of tenants today. This document lays out the advised steps for tenants who are staying with family to return to Chorus. If you need a copy of this document or have questions about it, please contact Jasper at <J.Macabulos@shsbc.ca>.

Important and Ongoing Information

Personal COVID-19 Emergency Plans

The purpose of these documents is to identify areas where support is needed if people get sick or injured during this crisis. It is not critical for Community Service participants to send a copy of the document to SHS—the document is for your use and you should share it (or not) with the people who need to see it. If you identify areas where additional support may be needed, please contact us and we can assist you in figuring out those areas. People supported in home share and staffed residential settings (group homes and Chorus) are asked to return their forms to SHS.

The Personal COVID-19 Emergency Plan documents have been uploaded to the [Uniti4All COVID-19 Information Page](#).

Self-Advocate Work

Semiahmoo House Society and The Semiahmoo Foundation has been supporting self-advocates to have a voice during the COVID-19 pandemic. I wanted to share with you some of the advocacy work that two self-advocate groups that we are associated with have been doing. The Provincial Self-Advocate Leadership Network (SALN) have been creating news releases and sending them to provincial and federal leaders, and the Self-Advocates of Semiahmoo (SAS) have created five public awareness videos about COVID 19. SALN news releases and SAS videos can be found on the [Uniti4All COVID-19 webpage](https://uniti4all.com/covid-19-information/) < <https://uniti4all.com/covid-19-information/> >

Guidance Counselor

Shab Khan, Registered Family Counsellor, MPCC, RPC, will be providing support to people connected to Semiahmoo House Society during the COVID-19 pandemic. The counselling is meant for people SHS supports, including people already on the Guidance Counselor's active list, people on her wait list, family members, and home share providers. Priority will be given to the people in the most critical situations (environmental, health, or emotional). The support given will be virtual—through phone, email, or secure online platforms. Contact information below:

Shab Khan, Registered Family Counsellor, M.P.C.C., R.P.C.

Peninsula Child Care (PCC)

PCC re-opened last week for children of staff members who are doing essential work and for the children of health care workers/first responders in South Surrey. Staff members and community health care workers or first responders who need childcare should contact Liz Deschenes (contact information at the end of this letter).

Personal Protective Equipment (PPE)

If someone we support in home share or residential services does get ill with COVID-19, we have N-95 masks, face shields, and other PPE to distribute to people we support, home share providers, and staff members who

are at risk. Due to limited supplies, these PPE are reserved for cases of confirmed COVID-19 infection (by Fraser Health) in staffed residential settings (group homes and Chorus) and home share homes only.

Online Support

We are supporting daily (Mon-Fri) coffeehouse meetings through Rec & Leisure Services. These meetings are open to all and are a chance to catch up with each other and see some friendly faces. If you are interested in joining those calls, please contact Anita Bhatti (contact information at end of letter).

If you are using any online social sites or games with your family and friends that you recommend we look into, please send them to the staff members connected to the service you use at the end of this letter.

We will begin to roll out our Online Campus this week. This Campus will feature ways to connect and learn from staff members and experts.

WISE Employment Solutions

The WISE team is figuring out how to do the discovery process with job-seekers online. More information about this will follow next week.

Rec & Leisure

We have cancelled all May and June Rec & Leisure events. Participants will receive refunds for those sessions.
